

**PMI Slovakia Chapter**

## **Introduction of PMI® Slovakia Chapter**

**PMI® Slovakia Chapter**

# Who we are

- Non-profit organization

- Established in 2012
- Independent
- 120 members
- More than 70% membership retention
- Entirely made up of expert volunteers

- Fast growing

- One of the fastest growing Chapters in the region
- Constantly adding new services for members

- Members and Friends

- Network of project management experts, people working in project management, and those interested in managing projects
- We engage professionals working in Slovakia

# What we do (I)

- **Advance Project Management**
  - Create awareness of the Project Management profession
  - Increase the quality of Project Management in Slovakia
  - Provide a platform for professional exchange and progress
- **Consulting on Professional Development**
  - We offer advice to organisations about project management education and certifications
  - We can establish contact to professional project management trainers
- **Our strategy is simple**
  - We offer project intelligence to all
  - We deliver value, stay relevant, and grow
  - Our aspiration is to empower people to make ideas reality
  - We join, develop, and motivate people who are difference makers

## What we do (II)

- Monthly local events in Bratislava
  - Networking with other project professionals
  - Lectures and discussions on project management topics
  - Information about new developments in project management
  - Possibility to obtain PDU points to maintain certification directly in Slovakia
- Regular local events throughout Slovakia
